Welcome Letter

Dear Participants,

Welcome to 2019 Prague Conferences! The objective of 2019 Prague Conferences are to provide a premium platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results.

We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in the related scientific areas.

We wish to express our thanks to our distinguished speakers, Prof. Roberto D'Amato, Prof. Dražan Kozak, Assco. Prof. Petr Valasek, Assoc. Prof. Alessandro Ruggiero and other distinguished scholars for sharing their deep insights on future challenges and trends in the conferences.

Special thanks to the sponsor: Czech University of Life Science Prague, and our committee members, all the reviewers, researchers and students who participate in the conferences.

Hope you could enjoy the conferences and have an unforgettable experience in Prague!
